Julee moved to Jacksonville to "take a bite out of the American Pie and open my own wellness clinic with my friend and associate Tamara Luffy offering Acupuncture and Chinese Herbs, Massage Therapy, Wellness Counseling and infrared Sauna Treatments." We concentrate on sports injury treatment, women's health: fertility, menopausal syndrome, hormone imbalances as well as treatment of ADD/ADHD.

One of Julee's favorite local restaurants is Caps on the intercoastal and highly recommends their seared Tuna. She also enjoys fresh made sandwiched, Goat cheese, tomatoes and olives.

Her favorite weekend activity is boating.

When asked what person has had the most influence on her life, Julee replied "I am constantly inspired by those with so little but gives so much. I love it when a person can stop me in my tracks and remind me that it isn't "things", but people that matter and to stop worrying and whining and just open my eyes."
