

Dear, Southside Businessmen's Club,

I can't find the words to say how happy you have made our family in these days of hard economic times. It was a blessing that one child was able to participate last year, but to have both boys participate this year is extremely wonderful. We could never thank you enough for your spirit of giving this season. We would like to extend to you our warmest wishes to you and your family for such generosity.

Always,
Steven, Antoinette,
Aja, Keenan,

With many thanks
to you
for your kindness.

Have many more
Happy Holidays
from
all of us
to you and
yours 😊
